

The PR-C101 single sided printer provides a simple and affordable out-of-the-box solution for high quality high durability ID cards with low maintenance requirements.

The printer is small enough to fit into an office overhead bin or under a counter. Offering the first ever rotating LCD panel and optional front or back exit, the PR-C101 can be placed in any orientation to fit your office environment perfectly. The printer's ribbon cassette and cleaning roller unit is disposable.

The PR-C101 will come packaged with an entry level badging software application and offer an optional magnetic strip encoding. This basic professional solution is great for every small organization, including police, libraries, schools, clubs, casinos, and more.
